Re: Freedom of Information Request (FOIA) for documentation regarding Lisa Heinzerling's training on EPA IT systems (Request Tracking No. HQ-2013-005626)

Dear Mr Horner:

The Environmental Protection Agency (EPA) has researched your request for documentation regarding training provided or completed by Liza Heinzerling (in any of her EPA capacities or positions) on EPA information technology (IT) systems. A search of our records revealed no training on EPA IT systems for Ms Heinzerling from January 1, 2009 through July 25, 2013.

Under FOIA, you have the right to appeal this determination to the National Freedom of Information Office, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), E-mail: FOIA_HQ@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416H, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the EPA number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any further questions with respect to this FOIA request, you may contact Patricia Hilton from my staff at 202-566-1636.

Sincerely,
